Keramos

The March meeting of Keramos, National Ceramic Engineering honorary fraternity, was a dinner meeting held at the Dutch Tavern on Thursday, March 8. At the business meeting which followed the dinner various business was transacted. Plans were made for the start of a new research on stains; this time the effect of stains on cobalt and aluminum. A

secretary pro tem was appointed to take the place of Harold Reed, who finished school last quarter. A vote was taken in regard to the admittance of a student of Raleigh School of Mines, where there is no active chapter of Keramos, as a member at large.
